

TREE BADGE WORKSHOP

Learn about trees to earn your tree badge!

Grab your naturalist hat and get ready to get to know trees from the shade to the science, the fruit to the forest, and the legends to the lumber. With support from the South Carolina Forestry Commission and the City of Columbia, Cadettes can earn their tree badge while doing activities like planting a tree, tree identification and making their own leaf coaster. This training will be in conjunction with the Outdoor Adventure Overnight event Sept. 9-10, 2023, at the leadership center. Scouts can sign up separately for the tree badge workshop or participate in it as part of the weekend event.

Requirements for Girl Scout Cadette “Naturalist” Tree Badge Workshop

- Try some tree fun;
- Dig into the amazing science of trees;
- Make a creative project starring trees;
- Explore the connection between people and trees;
- Help trees thrive.

Please register at the Girl Scouts of South Carolina Mountains to Midlands website at <https://www.gssc-mm.org/en/get-involved/activities/event-calendar.html>.
